APPENDICES (CONTINUED)

The purpose and effect of this special resolution is to grant a general authority for the acquisition of the company's ordinary shares by the company, or by a subsidiary or subsidiaries of the company should the Directors deem that to be in the best interest of the company and its shareholders.

The Directors believe that the company should retain the flexibility to take action if future acquisitions of its shares were considered desirable and in the best interests of the company and its shareholders.

The Directors shall ensure at the time of the company's commencement of any acquisitions of its own shares, after considering the effect of acquisitions, up to the maximum limit, of the company's issued ordinary shares, that they are of the opinion that if such acquisitions were implemented:

- the ordinary capital and reserves of the company and the group would be adequate for ordinary business purposes for a period of 12 months after the date of the notice issued in respect of the annual general meeting and the working capital of the company and the group would be adequate in the ordinary course of business for a period of 12 months after the date of the repurchase.
